

Mobility Solutions

Why MetTel

One Invoice regardless of number of carriers or contracts.

One Pool. Yes, all your data can be pooled and shared regardless of the network.

One Dedicated Account Team who knows your account and knows your name.

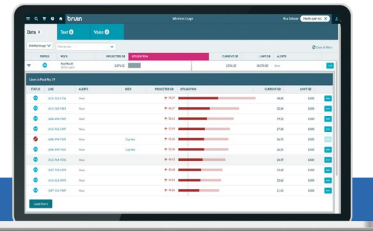

One Platform with instantly actionable tools, so you get results in seconds, not days.

One IoT SIM that searches and connects to the best network, worldwide: a MetTel exclusive.

One Universal Deployment Enrollment Program applies your business rules and policies to all of your mobile devices.

Top Three Networks for 99.5% nationwide coverage.

One of Only Three mobile carriers that was awarded GSA EIS \$50 billion contract.

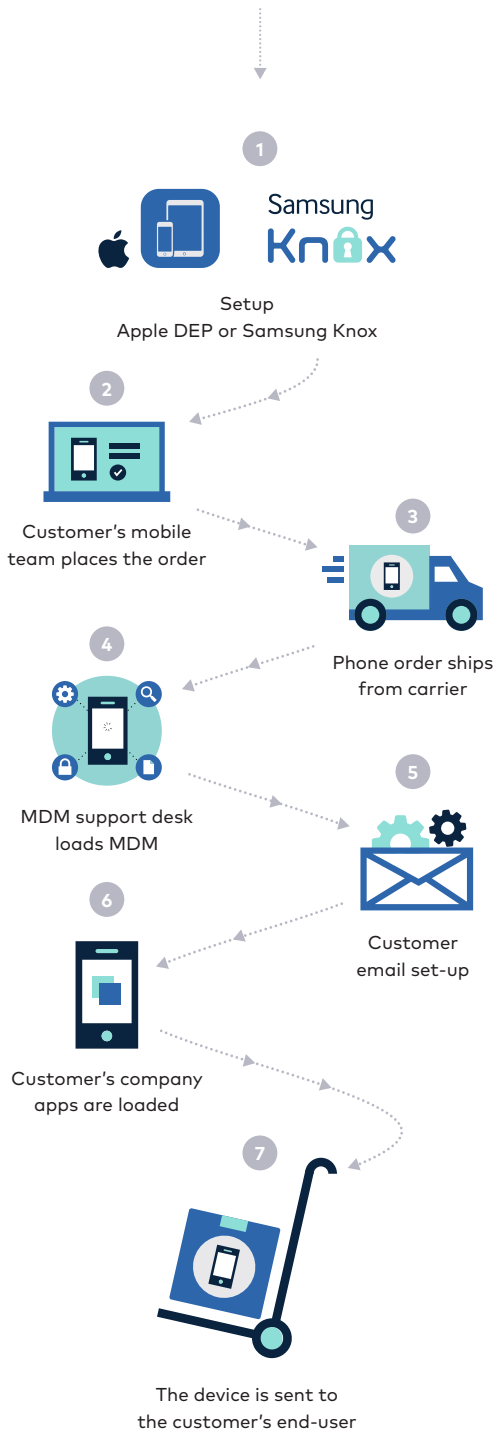

All-in-One, Cross-Carrier Control

- ✓ Easy Ordering
- ✓ Ticketing & Integration
- ✓ Real-Time Provisioning
- ✓ Robust Reporting
- ✓ Live Data for Intelligent Action Business Rules
- ✓ Single Bill for Multiple Carriers
